**Fixed rates on  
New Auto Loans  
*as low as 4.57% APR\****

\* The lowest APR of 4.57% is for a maximum term of 60 months and includes a 0.25% interest rate reduction obtained if the payment is automatically deducted from a Frontier Bank checking or savings account. This rate is available to well qualified applicants for new auto purchases. Rates and terms are subject to change without notice.

Payment Example: \$20,000/5 year term loan at a rate of 4.57% APR would result in 60 monthly payments of \$373.50, and does not include any loan processing fees financed. Your APR may differ based on the loan amount, repayment period, and other factors.
